TRUE LEARNING
THROUGH QUALITY EDUCATION -
LALITA PUBLIC SCHOOL

LALITA PUBLIC SCHOOL®

DIRECTOR
CHETNA RAJU TANK

LALITA PUBLIC SCHOOL®

(CBSE)

Ring Road, Wardhman Nagar, Nagpur-440035
Ph: 9371844445, 9373844445

OUR VISION

To encourage to become confident, inquisitive, independent, dynamic and concerned citizens to meet the challenges, while acquiring the virtues of excellence, discipline and respect.

THE MISSION

To prepare the children to meet the challenges of the changing world and to enhance their inner potential to produce citizens of integrity and judgement, respectful to others, life long learner's with the skill and courage to make a difference to the society and globally.

Rising above Pre-Primary, we welcome you to join Lalita Public School on its journey of lighting candles of knowledge in its surroundings. After the success of Chetna Kids Paradise, Lalita Public School is now ready to apply the skills developed at Pre-Primary stage to groom the Primary students and help to enhance their knowledge, and also impart them the best of quality education. Lalita Public School believes and follows an education pattern which is a blend of modern concept with rich Indian culture.

The 21 "century is the century of Knowledge. It is the age, when education has evolved as a potent of human development and empowerment. Today, 'Survival of the fittest' has become an essential truth for all institutions to enhance the mental abilities of students upto the best possible level.

Our Director Mrs. Chetna Tank believes in quality education. She had a dream to impart best of education to a student through friendly environment. She has focused her entire attention to achieve her dream named "Lalita Public School". She, as a Director, is committed to make her institution a role model for all upcoming educational institutions.

"Lalita Public School" is marching towards its goal of academic excellence in all its forms and hues. The faculty intends adopting an endearing philosophy of teaching, where the teacher helps the students (to groom at academic excellence and also as a responsible citizen of this great country of ours) as a friend philosopher and guide.

SCHOOL ACTIVITIES

E-LEARNING

Lalita Public School is one of the few school in city which have all the classes with E-learning system. Through E-learning Students are now grasping the knowledge & through use of all of their senses and the learning experiences gained through our E-learning system are long lasting.

SCIENCE LAB / MATH LAB

Activities based on day to day experience and exploring surrounding environment. Our laboratory is well equipped with different apparatus which help our student's to explore their ideas.

Mathematics Laboratory is a place where activities based on experience, needs and interest are taken. In this activity center a child is placed in problem solving situation through self exploration and discovery. It helps the students to build interest and confidence in learning the Maths subject.

COMPUTER LAB

Well equipped computer lab provides training in basic computers which help the child to enter the wide world governed by computers.

LIBRARY

Books with colourful pictures have a visual appeal, Picture books reinforce a child's knowledge of what is around him and exposes him to many new things.

MUSIC

Rhyme and Rhythm teach children to listen and identify the different sounds. Action songs and exercises for kids add fun and pleasure to the learning process.

DANCE / DRAMA

Scope for unlimited imagination. Children copy real life situations. This is a place where they learn to act like an adult. Child runs expresses emotions through proper training.

ART & CRAFT / WORK EDUCATION

Children gain eye- hand Co-ordination and get ample chance for development of their imagination and increase of concentration.

YOGA & MEDITATION

Helps in increasing concentration and the child remains physically fit.

KARATE

Weekly training in karate help the child to be self confident and get trained in self - defence - which is the need of the hour. Beside the above mentioned activities many more seasonal activities are carried out from time to time to bring out the best of your child.

SKATING

All children in Primary section are provided regular training in skating by trained teachers. A special skating ring is provided for better practice of children.

SWIMMING

The child's curiosity to play in water is fulfilled. It helps to understand what floats? Why? What dissolves? What settles at the bottom? It is an excellent medium of solitary play as well as cooperative play.

SCOUT & GUIDE/NCC

Our school provides scout Guide & NCC Training for the students which aims at development of students in achieving their well physical, intellectual social and spiritual potentials as a responsible citizens.

FESTIVAL & FUNCTION

Our national holidays, festivals and special days are honored and celebrated. This is extremely important that we honor and celebrate these special times to create an awareness of our cultural diversity and our heritage.

TRANSPORTATION

School provides bus facility for the students residing in distance areas.
