TRUE LEARNING  
THROUGH  
QUALITY EDUCATION - LALITA PUBLIC SCHOOL

## WELCOME TO "LALITA PUBLIC SCHOOL"

Rising above Pre-Primary, we welcome you to join Lalita Public School on its journey of lighting candles of knowledge in its surroundings. After the success of Chetna Kids Paradise, Lalita Public School is now ready to apply the skills developed at Pre-Primary stage to groom the Primary students and help to enhance their knowledge, and also impart them the best of quality education. Lalita Public School believes and follows an education pattern which is a blend of modern concept with rich Indian culture.

The 21<sup>st</sup> century is the century of Knowledge. It is the age, when education has evolved as a potent of human development and empowerment. Today, 'Survival of the fittest' has become an essential truth for all institutions to enhance the mental abilities of students upto the best possible level.

Our Director Mrs. Chetna Tank believes in quality education. She had a dream to impart best of education to a student through friendly environment. She has focused her entire attention to achieve her dream named "Lalita Public School". She, as a Director, is committed to make her institution a role model for all upcoming educational institutions.

"Lalita Public School" is marching towards its goal of academic excellence in all its forms and hues. The faculty intends adopting an endearing philosophy of teaching, where the teacher helps the students (to groom at academic excellence and also as a responsible citizen of this great country of ours) as a friend, philosopher and guide.

## SCHOOL ACTIVITIES

### Art & Craft

Children gain eye- hand Co-ordination and get ample chance for devepment of their imagination and increase of concentration.

### Yoga & Meditation:

Helps in increasing concentration and the child remains physically fit.

### Music

Rhyme and Rhythm teach chidren to listen and identify the different sounds. Action songs and rhythm exercises for kids add fun and pleasure to the learning process.

### Dance/Drama

Scope for unlimited imagination. Children copy real life situations. This is a place where they learn to act like an adult. Child runs expressions of emotions through proper training.

### Karate

Weekly training in karate help the child to be self confident and get trained in self - defence- which is the need of the hour.

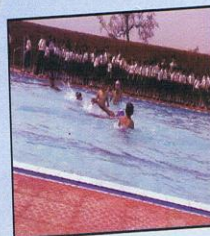

Beside the above mentioned activities many more seasonal activities are carried out from time to time to bring out the best of your child.

## SCHOOL ACTIVITIES

### Science Lab

Activities based on day to day experience and exploring surrounding environment. Our little scientist will watch a seed grow into a plant, they well identify different coloured flowers and leaves and also watch animals looking after their babies.

### Swimming

The child's curiosity to play in water is fulfilled. It helps to understand what floats? Why? What dissolves? What settles at the bottom? It is an excellent medium of solitary play as well as co-operative play.

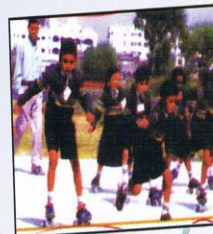

### Library

Books with colorful pictures have a visual appeal, Picture books reinforce a child's knowledge of what is around him and exposes him to many new things.

### Computer Lab:

Well equipted computer lab provides training in basics of computers which help the child to enter the wide world governed by computers.

### Skating

All chidren in Pre-Primary section are provided regular training in skating by trained teachers. A special skating rink is provided for better practice of chidren.
